

The Joesten Report

The Truth About the Assassination of President John F. Kennedy

Lee Harvey Oswald was not the assassin of President Kennedy. He did not kill Patrolman Tippit either. Oswald was wrongfully accused and "convicted" on both counts in the worst judicial frameup in history. All the charges against him were trumped up. Material evidence was doctored, faked, or insofar as it would have favored the accused, suppressed. Witnesses were intimidated or hushed up. In some cases, statements which they had never made were put into their mouths by the police. And then the defenceless accused was railroaded to death.

These are the basic findings of a painstaking private investigation which I undertook early in December 1963, on the spot in Dallas, on behalf of a leading German magazine. Since then, I have written a book of about 100,000 words on the case which sets forth in detail why Oswald could not possibly have murdered President Kennedy or the policeman. The book will first be published in Paris (probably in May or June of this year), later also in Germany and Britain, among other countries.

My investigation also brought out, beyond a shadow of doubt, that Oswald never was a genuine Communist. His "marxism" was nothing but a pose, his propaganda for Castro a sham, his "defection" to Russia a flimsy cover for an intelligence assignment, which he bungled. Oswald went to the Soviet Union as an agent for the C.I.A., was found out and neutralized at Minsk where he worked practically as a slave laborer. Upon his return to this country, he became a stool-pigeon and agent provocateur for the F.B.I. on whose instructions he set up his phony "Fair Play for Cuba Committee" in New Orleans. At the same time, he was being trained for another intelligence mission, this time to Cuba, which he botched again.

This double failure as a secret agent made Oswald "expedient" in the eyes of his employers. And when some of the intelligence figures who had manipulated Oswald joined the conspiracy to assassinate President Kennedy, they arranged for him to be sacrificed as the most convenient scapegoat.

Oswald, demonstrably innocent of both the killings that have been attributed to him, was not a victim of judicial error. The way his case was handled by the Dallas police and district attorney excludes any possibility of an innocent mistake having been made by overzealous or inept prosecutors. The Dallas police chiefs and District Attorney Henry M. Wade knowingly and deliberately framed this innocent man because they themselves were in league with the real assassins of President Kennedy. They callously sacrificed Oswald in order to shield the real perpetrators of "the crime of the century."

These are not "wild charges." The shocking fact that Oswald's accusers were themselves implicated in the plot to assassinate the President of the United States is brought out in my book and in the present report in minute, carefully documented detail.

Expect no solid grains of truth from the Warren Commission. Its performance to date clearly shows that the mandate it has received from President Johnson is not to uncover, but to hush up the true facts about the assassination.

From all present indications, the Warren Report will be nothing but a glorified coverup heaped on top of the F.B.I.'s shoddy coverup for the crimes committed by the Dallas police.

Why, it may be asked, should President Johnson wish to keep the lid on the true circumstances of his predecessor's death? Legitimate as this question may sound, it is in fact a bit naive. Who put Lyndon Johnson in the White House? Not the ballots of the American people. The bullets of a powerful gang of fellow-Texans did.

I do not suggest that Johnson personally instigated the plot or that he actively took part in it. At this stage of my inquiry, I do not think that he was in any way directly involved. But he is the beneficiary of a crime conceived and executed by the power elite of his home state, Texas.

Thanks to the Bobby Baker scandal, Johnson was on his way out of the White House, when the Texas gang forcefully put him back with a few well-placed shots. Other factors that contributed to the decision to kill Kennedy were the resentment of the big oil interests of Texas at the late President's tax reform proposals; the wrath of the Cuban adventurers inside and outside the C.I.A. at Kennedy's moderation in the matter; the hate of fanatical segregationists of the Beckwith and General Walker stripe. The John Birch Society, rehearsing a factual version of "Seven Days in May."

The assassination of President Kennedy was more than "the crime of the century." The way it has been presented to the American people - the most gullible on earth - constitutes the most monstrous fraud ever perpetrated by officialdom and connived at by a supine, cowardly press. It was the most blatant attempt to fool all the people all the time this country has ever witnessed. So far it has achieved complete success. Historically, the perfect crime was committed on November 22, 1963.

The present report, which for the first time spells out the whole, awesome truth about the assassination, will not make glaring headlines. It is not likely ever to see the light - in this country - as a printed book. But it will make its way, I am sure, onto some library shelves where scholars of the future, endeavoring to shed some light on 20th century obacurantism, then will find the source material which the powers-that-be and the controlled news media of 1963-64 strove desperately to withhold from the public.

I am not writing this for the general public which has been securely lulled into uncritical acceptance of the preposterous Oswald Hoax. My report is destined for the few discerning and independent minds who have sensed all along that something was terribly wrong in the official version but who had no way of getting at the facts. More power to these earnest truth-seekers!

Notice to the Assassins: You can kill me, too, but you can no longer stop the truth. Every fact that will be brought out in the present report, every name that will figure in it, every hidden aspect uncovered therein, is already contained in my 320-page book manuscript due to be published in Paris soon. Numerous copies of it have been placed in safe hands throughout Europe. Anything that may happen to me will only enhance the worldwide repercussions of my expose.

P.S. Libel suits will be particularly welcome.
